Welcome at 't Opkikkertje

The city of 's-Hertogenbosch is closely related with frogs due to its former swampy location. Within the city you'll walk into all kinds of images of frogs. The most strongly connection with the frog manifests itself during Carnival, when 's-Hertogenbosch changes into Oeteldonk (*the Dutch word 'oetel' means frog*).

This is an ancient old Christian tradition to start of the time of fasting between Ash Wednesday and Easter. Its origin began within the southern part of the Netherlands (North-Brabant and Limburg).

Nowadays Carnival is a huge feast for everyone that lasts three days. During these days of Carnival, local celebrants attach this so-called '*oetel*' on their festive clothing, to proudly show that they are inhabitants of 's-Hertogenbosch and therefore also inhabitants of Oeteldonk. In 't Opkikkertje one of the largest frog collections in the world is now on display. And all of this with the intention to get a boost during everyday life, as we call it in Dutch an '*opkikker*'. Thus, our name is well chosen, because our main goal is to give you a boost for the rest of your day.

Whether you are a tourist visiting our beautiful city, or just an everyday visitor, during your visit we are here to give you a relaxing moment. Not only our hospitality but also our menu with a wide range of delicious dishes will give you this special boost. Whether you are sitting on our pavement during the summer or within our cosy walls during the winter, you will always find that special atmosphere that the city has.

Enjoy your visit and please do not hesitate to ask questions.

Bon appetite!

Your hosts,

Mark and employees of 't Opkikkertje

Every friday live music

Every Friday evening we have a small stage where we give everyone with musical or cabaret talent the opportunity to perform a performance. Preferably small-scale in an intimate setting. We want to create the atmosphere of music around the campfire and of course we can also dance.

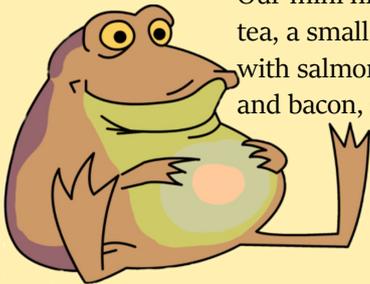

We receive both beginners and professionals on our stage, every Friday we have any proclaimed acts, after that the stage is open for everyone who wants to make music.

Every first Friday of the month we have a karaoke evening.

Musicians can register via our website.
